DETAILED ACTION

Allowable Subject Matter

Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance: The reason for allowance is based upon the arguments made against the Kasashima et al. reference (JP 09-290034). Applicant argues that Kasashima et al. was used improperly in previous office action. Applicant has overcome reference by correcting the priority benefit to provisional application 60/058563.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
